Pope Francis Invites Us to Make the World Less Cold and More Just

Pope Francis encourages us not to "fall into indifference," but rather to "become instruments of God's mercy" Each of us is called to be an instrument of God's mercy and to be a witness of charity. For "it is precisely in the measure to which we open ourselves to others that life becomes fruitful, society regains peace and people recover their full dignity," Pope Francis teaches us. **Peter's Pence Special Collection June 16th 2019**
