21st April 2019 Easter Sunday

Resurrection

This is a day of profound celebration. Jesus rising from the dead has given us the promise of new life. Christ, the Lord has risen! Alleluia!

Happy Easter on this first Easter Morning. Mary of Magdala goes to the tomb to mourn and to anoint the body of Jesus. When she arrives at the tomb she finds that there is no body to anoint. The tomb is empty she is faced with a missing person enquiring.

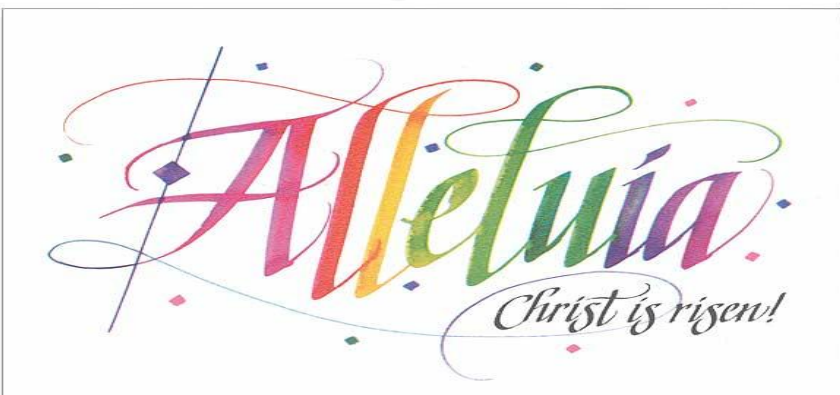

Where was Jesus? Who has taken the body? And Why?

In her confusion and panic she runs to the disciples and tells them what she has seen. Or rather what she has not seen. Peter and John go to see for themselves. They too find nothing. But they discover that as Jesus has said he will rise from the dead.

On this Easter, we Christians gather to and celebrate the greatest story ever told. **The rising of Jesus from the dead**
